# Arson probe after two boys pulled from burning home

By Matthew Brown

TWO young boys have been dramatically rescued from a fire in Winklebury that police believe may have been started deliberately.

Firefighters climbed a ladder to pull an eight-year-old from a first floor bathroom after he locked himself in to escape the flames.

He was taken to Basingstoke Hospital suffering from smoke inhalation and kept in overnight.

A five-year-old boy also went to hospital as a precaution and a 26-year-old woman managed to escape.

Fire crews were called to the blaze at a terraced maisonette above a row of shops in Watson Way at around 7.50pm on Wednesday last week.

Crews from Basingstoke and Odiham also rescued two cats. Another two are unaccounted for.

Lamar Morgan wrote on twitter: "Right by my house. Great work by the crews!"

The ground floor of the property was extensively damaged in the fire.

A joint fire and police investigation is under way and officers are treating it as a suspected arson attack.

Detective constable Dan Lewis said: "We are really keen to find out more about what happened that evening.

"Were you in the Watson Way area? Perhaps you were visiting one of the shops in the parade or the nearby pub?

"Did you see anything suspicious?" Nobody from the rescued family was available for comment.

# Tory victories 'springboard' to success in the general election

By Matthew Brown

THE saying 'the more things change, the more they stay the same' rang very true as Basingstoke and Deane went to the polls to elect its county council representatives.

Candidates battled it out for the 10 seats up for grabs in the divisions across the borough but there was little change - the Conservatives coming out on top with seven, gaining an extra seat in the process.

For newly-elected Conservative councillor Robert Taylor, the focus was on facilities and infrastructure for local people.

Cllr Taylor was elected to represent Basingstoke North West, beating Labour candidate Antony Jones by 157 votes.

He said: "There are some very clear priorities that the residents, especially of Winklebury, pointed out. Obviously the Manydown development - that is going to be a major change for the children. Our priority is that part of the division, as well to make sure that we do the as Buckskin.

Basingstoke South West interests of the residents and victor Cllr Stephen Reid, -

elected with a massive 3,200 votes - said: "I think it probably reflects the national trend and it really does indicate a very good start to our general election campaign."

The Conservative added: "It could be a springboard holding on to Basingstoke North West, to win.

ity (2,338 votes) in Basingstoke South West has got to mean that this is a springboard for Maria (Miller) to do extremely well in the general election."

Tadley and Baughurst provided the narrowest victory of the evening where Tory candidate Derek Mellor beat Liberal Democrat rival Warwick Lovegrove by 144 votes.

Cllr Elaine Still, the Conservative councillor for the Loddon division, got the biggest backing in the borough on the night, receiving 3,310 votes.

The Conservatives retained overall control of Hampshire County Council.

They won 56 seats - an increase of 11 from the 2013 elections - followed by the Liberal Democrats on 19 (an increase of two), Labour with four (decrease of two) and Community Campaign (Hart) on one.

Countywide, the turnout was 36 per cent.

## Town 'needs strong voice'

FOR Labour and the Liberal Democrats, this election was about getting Basingstoke's voice heard more at the county council in Winchester.

Labour held their two seats with Jane Frankum re-elected for Basingstoke North and Michael Westbrook replacing the outgoing Criss Connor in Basingstoke Central.

"We need a strong voice for Basingstoke residents," said Cllr Westbrook. "Hampshire County Council has made a lot of decisions in the last few years that have really impacted on the lives of local residents.

"As a borough councillor I've built a reputation to find solutions so it's a real honour to represent my residents as their county councillor."

Gavin James successfully defended his South East division for the Liberal Democrats.

He said: "The priority now is making sure Basingstoke's voice is heard in Winchester because too often we seem to get the impression that the county council is rather ignoring Basingstoke.

"Look at our school standards, the quality of our roads - our voice needs to be heard because I don't think the county council do enough for us at the moment."

# 'Brexit' on everyone's lips as election fight gets under way

By Matthew Brown

IT'S a word we keep hearing time and time again - Brexit.

And it featured heavily as the next candidates for Basingstoke at next month's general election were revealed.

Terry Bridgeman, a retired maintenance engineer with the Metropolitan Police, will be standing for Labour, while UKIP once again chose local businessman Alan Stone to be their candidate.

The Green Party has chosen Richard Winter.

Mr Stone said he was looking forward to the election and wanted to scrutinise Maria Miller.

"I'm going to thoroughly enjoy it," he said.

"It's going to be good to actually stand up next to Maria Miller and get her to be accountable for some of the things she has and hasn't done since the last election."

There was concern from the UKIP candidate that the Conservatives "are not going to come out with a decent Brexit" and he also claimed there "is a large percentage of the Basingstoke population that would

not believe in Jeremy Corbyn and certainly do not believe in Maria Miller" that potentially could vote for UKIP.

"I think UKIP will be needed again in the future and certainly the voters that are out there that have voted for me personally or the party in the

their cross" he added.

Mr Stone said his priorities,
if elected, would be to bring
business, manufacturing and

past need somewhere to put

council housing "back into Basingstoke".

Mr Bridgeman has been a member of the Labour Party for over 40 years and works in Basingstoke. He is also a Rushmoor district councillor.

"The Labour Party has got as good a chance as anybody," he said.

"This election is turning into a mini-referendum on Europe.

"We've got serious problems with housing shortages, homelessness, the NHS isn't as good as it should be, education and we've got this problem with not being able to fund social care – this is what the Labour Party will be fighting for."

The Green Party also announced Richard Winter as their candidate on Tuesday evening.

He is the chairman of the Basingstoke and Deane Green Party, and has lived in the town for most of his life.

Mr Winter couldn't be contacted for comment as the Observer went to press.

The candidates will join Maria Miller for the Conservatives, and John Shaw for the Liberal Democrats, in fighting for the Basingstoke seat.

Alexander Worth died at the scene

A MAN has been summoned to court following a fatal collision in North Warnborough last August in which a teenage boy was killed.

Matt Cobden, 38, from Surrey, is due to appear at Basingstoke Magistrates' Court on June 6 having been reported for causing death by careless driving.

It comes after 13-year-old Alexander Worth, of Kings Worthy near Winchester, died in the collision, which happened in North

Warnborough at around 8.45pm on August 26.

Alexander was travelling in the passenger seat of a Ferrari F50 when it crashed on the access road that leads to Newlyns and Lodge farms in Hook Road. No other vehicles were involved.

# Stadium renaming nets club charities cheques for £1,00

By Matthew Brown

BASINGSTOKE Town FC have scored a great goal for two local charities.

A £1,000 cheque has been presented to both the Ark Cancer Charity and St Michael's Hospice, the club's two charity partners.

"The club is pleased to have chosen the Ark and St Michael's as the two charities to benefit from the donation the club has received from the Football Association Community Shield Charity Fund," said chief executive David Knight.

"Everyone at the club has been

pleased to support both these good causes, which are focused on delivering much-needed support to people in and around the Basingstoke area."

For the 2016/2017 season, the Camrose was renamed the Ark Cancer Charity Stadium after a poll of fans and both charities.

Mark Jones, director of fundraising at the Ark, said the charity was "proud to be a community partner of the football club and is grateful for the great support that the charity has received during the 2016/2017, particularly through the renaming of the stadium".

The Ark is currently undertaking a £5million appeal for a new cancer care centre which it is hoped will be built near to junction seven of the M3.

"At St Michael's Hospice, we are currently focusing on increasing our community services to reach more patients than ever and support such as this is vital to us achieving that," said Iain Cameron, director of income generation at

IT'S not every day that a race runs through a shopping centre - but the Basingstoke 5k did.

Around 300 runners pounded the pavements on Sunday morning.

They took a course through Festival Place, around the top of town, past Basing View and into Eastrop Park before finishing in Festival Square.

"This is a great event for Festival Place. It is an amazing sight to have the runners pounding into the centre and really showcases it as part of a town centre we are proud of," said centre director Steve Connolly.

"We're not aware of any other UKA-licensed race going through any other shopping centre, which make the event even more unique."

A new course record of 16 minutes 19 seconds was set by the winner Rob Wood, from Basingstoke and Mid Hants Athletics Club. Fellow club member Charlotte Earl was the first female home in a time of 19 minutes 30 seconds.

The event was organised by Destination Basingstoke and sponsored by Croudace Homes.

Their managing director, Russell Denness, said: "What makes the event special for us is that the race appeals to a wide spectrum of participants, ranging from the serious runners looking for a new personal best to the occasional jogger enjoying the challenge of making it round in one piece.

"This makes for a friendly atmosphere set in a great venue that is appreciated by participants and spectators

#### Patient testimonial

I have recently had both my dentures replaced by Dentalia and I would like to thank everyone for making what might have been very traumatic for me, a truly trouble free experience.

I attended several routine fittings and on the last one I was advised to try to keep them in for several hours, to see how they fit but to let them know immediately if there were any discomfort, but in any case not to leave it too long before I returned to explain any soreness or fitting issues.

That was about 6 months ago and I have never returned or contacted Dentalia since.

I have never needed to, in fact the only reason I did once feel I should contact them was to apologise for not contacting them at all since my final fitting.

I am now writing to thank Dentalia and in particular David for all the excellent work they did for me and the fantastic customer service throughout, well done.

#### Red Lion roaring into action after 300 years

AN ODIHAM pub has reverted to its original name - after more than 300 years.

The Red Lion, previously known as Next Door, has been extensively refurbished in a £500,000 project.

"We're delighted to be open and look forward to welcoming our customers old and new," said Edina Szabo, manager at the High Street pub.

Archives show that the 500-year-old building was an ale house called the Red Lion until 1700 when it was converted into a grocery store, which it remained until 1992.

Red Mist Leisure has now carried out a careful twomonth restoration project that includes seven stylishly decorated en-suite bedrooms while combining the historic charm of the building with a light modern design.

Head chef Simon Lamb has cooked up a 'modern British' pub menu featuring classics with a contemporary twist, provided by local suppliers where possible.

Drinkers will be able to enjoy a large open plan bar area as well as an outdoor seating area at the front of the pub.

The Great Place To Work Institute recognised Mars for its career development opportunities and the health and wellbeing programmes for 'associates' - what the company calls employees.

Hossam Ashraf, general manager at Mars, said: "I am very proud of Mars being ranked as the 20th best placed to work in the UK among large companies.

"It is a great reflection of the quality of our associates as we wouldn't be there without their great contribution."

#### Activities for mental health aid

A RANGE of activities to raise awareness of mental health issues have been taking place across Basingstoke and North Hampshire this week.

They included dance and music at The Malls, a roadshow at Brighton Hill School and screenings of the mental health film Knowing Me, Knowing You.

The events were organised by the North Hampshire clinical commissioning group (CCG), with community groups and other organisations.

Still to come is an open afternoon at the Basingstoke and Deane Wellbeing Centre this afternoon, the conclusion of an art exhibition at Basingstoke Voluntary Action tomorrow and a mental health stall at Tesco in Chineham on Saturday.

Dr Nicola Decker, clinical chairman of the CCG, said: "There is hope and help for people struggling with mental illness and possibly feeling very isolated in their situation.

"Early intervention with improved access to talking therapies is one of the key priorities for us and our neighbouring commissioning groups.

"Mental health week is a wonderful opportunity to shine a light on the support that is available locally."

The objective is to fill a 9×9 grid with digits so that each column, each row, and each of the nine 3×3 sub-grids that compose the grid (also called "boxes", "blocks", "regions", or "sub-squares") contains all of the digits from 1 to 9. The puzzle setter provides a partially completed grid, which for a well-posed puzzle has a unique solution.

# Folk royalty's 25 years on tour

By Josh Cox

FOLK songer Kate Rusby will be performing at the Anvil Arts on Thursday, May 18. She has been kind enough to answer a few pre-show questions for us.

#### What first got you into folk music?

My upbringing was full of music. My parents both play and sing, Mum plays the piano and accordion and Dad plays string things like the banjo, mandolin and the guitar; they actually met through music at folk clubs too.

were young which myself and my sister joined when we were old enough. My older sister Emma, younger brother Joe and I all started playing the fiddle when we were about five or six. Joe was a chorister at Wakefield Cathedral for a good few years too. There was always music in our home and instruments would be all around the place that we were allowed to play on if we fancied it.

#### What's the inspiration behind your something right! most recent album, Life in a Paper Boat?

I get inspiration from all over, but cians? mainly my collection of ballad books, they have a wealth of stories about all rights to your music. sorts, I love searching through them. I also still learn songs from my parents, which is lovely, and with the added

bonus now that I can pass the songs on to my own girls (Daisy Delia, 7 and Phoebe Summer, 4); I feel so lucky. As for the songs I write, that varies but the title track came to me after watching the many desperate souls prepared to risk the lives of themselves and their very young families to cross the sea in hope of a better, safer life.

#### After 25 years of touring, what's your favourite thing about performing and why?

I just enjoy playing live! I honestly They had a ceilidh band when we believe that you couldn't do it if you didn't enjoy it. It is very, very tiring and stressful, and having the weight of the other musicians' and record company's livelihood on your shoulders is a massive responsibility. Even one little cold could mean that we have to cancel a gig. But I love it, so that balances all the worries. I don't think it would be possible to bear the weight of it if I didn't love it. Audiences seem to like what I do, so we must be doing

# Peace of mind for the future

#### Why a Lasting Power of Attorney gives you just that

When you write a Will, it's not for your benefit. You do it because you want to ensure that you've done your best to protect family and loved ones; to ease pressure - emotionally and financially - when you're no longer here.

Making your Lasting Power of Attorney (LPA) is something you can do for yourself - it's a precaution you can take to protect your finances, health and wellbeing.

As we age the odds of illness or accident resulting in limited physical or mental capacity increases and with it the ability to make our own decisions or choices - from the food we eat to the health care we receive - is diminished or lost. But you have a voice and that voice can be legally recognised.

By making your LPA you can elect those that you trust and want to make decisions on your behalf when you are no longer able to. You can choose one or several people and include restrictions and guidelines for your Attorney(s) to follow. Legally, they are required to follow certain principles, including amongst others:

(1) the assumption that you have capacity until it is established that you don't

(2) just because you've made an unwise decision does not mean you are assumed to be unable to make your own decisions and (3) any decisions must be made in your best interests.

Without an LPA, your loved ones will face a lengthy, stressful and costly application to the Court of Protection for an appropriate person to be named as Deputy. What's most important to note is that it is the Court's decision who is named as

Deputy and this may be someone you didn't quite trust to make decisions for you or in some cases, it may be an official who doesn't know you well enough.

Michael Usher Wills & Estate Planning can help you navigate this complex application process. Our friendly and efficient service helps you make the right decisions without feeling too frustrated or stressed by forms and legal requirements. We also offer a free Will review to ensure it is up to date and will still do the things you want it to do. Appointments are available Monday to Saturday at times that suit you, either at our offices or in your home if that is more comfortable for you. # Always look on the bright side

By Josh Cox

LOVINGLY ripped off from the classic comedy film Monty Python and the Holy Grail, Spamalot hilariously tells the legendary tale of King Arthur and the Knights of the Round Table.

It is a laugh-a-minute homage to the world of musical theatre.

Basingstoke Amateur Theatre Society (BATS) will bring the Tony award-winning show to Basingstoke for the very first time in a lavish production directed by Gary J. Myers, with musical direction by Neil Streeter.

Killer rabbits, catapulting cows, cancan dancers, the Lady of the Lake and the somewhat odd Knights who say "Ni" are just part of the adventures and dangers awaiting King Arthur and his knights in their quest for the grail.

Chop full of fabulous songs such as Find Your Grail, The Song That Goes Like This and, the nation's favourite comedy song, Always Look On The Bright Side Of Life.

Spamalot features moments from Monty Python's Flying Circus and is skewered with cherished musicals Lady of the Lake, Pete Chandler as Sir along the way which include Phantom of the Opera, West Side Story, Chicago, A Chorus Line and Les Misérables.

The cast includes Colin Flaherty as King Arthur, Kirsty Kingham as the a real success following on from the

Lancelot, David Izzo as Sir Galahad, Richard Bond as Patsy - and Eric Idle

as the voice of God. The modern day musical is dubbed

hugely popular 1975 film. The show is a tribute to the very best of British comedy and will be at the Haymarket in Basingstoke from Tuesday May 16 to Saturday May 20.

Jaguar F-Pace 'S' - 3.0 300PS AWD

### Packed with features and fast too

By Tony Yates

#### Power and efficiency

The F-Pace I had on test was powered by a 3.0 litre V6 turbocharged Diesel engine that had 300PS on tap - and boasts a mind blowing top speed of 150mph, plus a 0-60 time of 5.8 seconds. Fuel consumption is also very good with a combined figure of 47.1 mpg. Jaguar really has made big strides in getting the most out of their engines – along with the ability to perform really well. The F-Pace also has 700Nm of torque - which translates into something quite spectacular when the next overtaking opportunity comes along or you need that extra grunt.

#### On the road

The F-Pace is very good indeed - it feels very nimble and taut considering its size. I love the stable handling, smooth ride and agile response. You really can feel that the engineers have done a fantastic job of getting that balance just right. You also get a lot of good feedback

from all four corners thanks to its AWD ability - giving you the confidence to push that little bit harder at the next twist in the road.

A big plus point for the F-Pace though is how well it pulls from pretty much any gear. Then there are the brakes - which feel very good and will easily have you at a controlled standstill in no time at all.

#### Safety and technology

Safety also seems paramount for Jaguar because the F-Pace is fitted with; 6 airbags (driver and front passenger) with side curtain airbags, front side airbags and seat occupant detector for passenger. There is also ABS, Dynamic Stability Control + AEB, Emergency Brake Assist and Jaguar Drive Control –different modes are selectable by a button to optimise the vehicles response depending on conditions and style.

Space; inside the cabin is a big plus point for the F-Pace, as it has plenty of room for five adults. Boot space is good and even better with its split folding rear seat. Then there is the interior – I have never seen such attention to detail –

everything fits perfectly and the materials used inside are first class.

Standard equipment on the F-Pace comes in the form of; a full fat 'S' styled bodykit, all wheel drive, torque vectoring, Front & rear parking aid, 8" capacitive touchscreen, satellite navigation, dual zone climate control, cruise control with (ASL) LED rear lights, approach illumination, heated front seats, Jaguar smart key with keyless start, rain sensing windscreen wipers, Jaguar drive control, hill launch assist, Bluetooth telephone connectivity and audio streaming, split fold rear seat; 40:20:40, powered tailgate, electric parking brake, whiplash protection, land departure warning (LDW), all surface progress control (ASPC) - Auto only) DAB radio and DMB, Meridian sound system (380W). This is just a small amount of the features you can expect.

To sum up: Jaguar has shown that they can continually produce some really stunning vehicles. And for 50k, I doubt you could find anything as good as the Jaguar F-Pace 'S'

Standard price (from) £51,450 OTR – excluding extras

# Collard's stunning start is key to 'fantastic first win'

By Adam Flinn

ANOTHER trademark stunning start from Rob Collard helped him take his first British Touring Car Championship victory of the season at his home track of Thruxton on Sunday.

The north Hampshire racing driver climbed up from 10th on the grid in race two to third by the first corner, muscling his way into the lead after three laps in a race hit by two stop-

Decent points finishes of 10th and seventh in the other two races mean that Collard is up to fourth in the championship standings after the first three rounds.

"It feels fantastic to get a victory so early in the season and to do it at my local circuit, especially as Thruxton isn't a track we expected to win at," said Collard.

"We've worked hard to maximise not just the starts but the early laps and the results have been very good.

"With the full ballast of 75kg in race three it was always going to be difficult to finish well, so seventh was a very useful haul of points to add to those achieved earlier in the day.

"It means we go to Oulton Park - a track we're normally strong at - in very good shape."

Collard qualified 18th for race one but he quickly moved up the order to finish 10th.

Race two saw him make a phenomenal start in the rearwheel drive BMW and he was up to third immediately, chasing down the two Hondas.

A red flag for a colossal accident involving Dan Lloyd's MG halted proceedings for almost an hour before the race resumed with Collard in the lead. He held off Shedden until a second red flag ended the race early.

Carrying full ballast in race three, Collard remained in the top 10 and scored some more valuable points in seventh.

Round four of the championship is at Oulton Park in Cheshire on May 21.

#### Bison heading for the south It's back to Basics after

BASINGSTOKE Bison will be playing in the National Ice Hockey League (NIHL) South Division 1 next season after the league format was agreed on Sunday.

Division 1 will be split into two conferences of six teams, with Bison playing in Conference A alongside Bracknell Bees, Cardiff Fire, Milton Keynes Thunder, Oxford City Stars and Solent Devils.

It comes after the English Premier Ice Hockey League (EPIHL), which Bison played in last season, was disbanded.

Conference B contains the Chelmsford Chieftains, Invicta Dynamos, London Raiders, Peterborough Phantoms, Streatham IHC and Swindon Wildcats.

The NIHL season is due to begin on the weekend of September 2 and 3, finishing on April 7 and 8.

NIHL South league man-

ager Richard Carpenter said: "It was a difficult meeting but we've reached agreement on the way forward for next season and beyond.

"There are no perfect answers or deals to such a highly complicated situation but we would like to thank all teams involved for reaching a deal to the betterment of British ice hockey.

"There are wider whole-NIHL issues which will be discussed after the North section, but we're pleased to have carried out this task of integrating the former EPIHL clubs into the NIHL structure and agreed a format."

Basingstoke Buffalo will play in the NIHL South Division 2 in a 13-team league.

### disappointing opening

IT was a disappointing start to the season for Hook and Newnham Basics Cricket Club as they lost their first Southern Premier Cricket Division One match against Calmore Sports by 45 runs.

Things were looking good for Hook and Newnham as they managed to get Calmore all out for 189, with Aniket Divecha starring with five wickets.

Their innings started off promisingly as openers Ben Thane and Kieran made it to 55 before the first wicket fell.

They made it up to 140-6 but suffered a collapse and lost the final four wickets for just four runs to end up all out for 144.

There was better luck for Hartley Wintney in Division Two, who won by two wickets in their match against Sparsholt.

Sparsholt batted first and didn't really get going - Jeremy Frith's 35 their only score over 20 as they were all out for 149.

When Hartley Wintney came out William Kerr (2) was an early casualty, but Henry Collier scored an impressive 79.

He was eventually dismissed by Frith, who was the star of the show for Sparsholt, accounting for six wickets.

While no one else could match Collier's performance, Hartley Wintney got to 150-8 to take the win.

# **Belcher lets** rip to clinch first victory

By Matthew Brown

BASINGSTOKE and North Hants cricket club got their Southern Premier Division One campaign off to a winning start with a 153-run thrashing of Ventnor.

The Bountymen, who were on home turf, were put into bat by the Isle of Wight side who must have instantly regretted that decision.

Openers Daniel Belcher (86) and Joe Oates (35) started explosively as they smashed 87 off the first 10 overs.

The stand was finally broken with the score on 120 as Oates was caught by Rob Snell of the bowling of Zeph Wells.

Captain Mitch Stokes scratched around for 10 off 11 balls before a useful 20 from Will Phillips in a third-wicket partnership of 43 with Belcher guided Basingstoke to 184-3.

Phillips was then caught by Wells off the bowling of Hugh Calloway.

His magnificent 86 came off 106 balls (10 fours, one six) and set the Bountymen up for a competitive score.

Dean Nurse continued to drive Basingstoke towards a score of 300 hundred plus with an unbeaten 62 from just 40 balls. This useful cameo included five fours and one six.

Contributions from David Griffiths (21) and Martyn James (19) saw Basingstoke finish on a very competitive 307 -7 from their 50 overs.

Ventnor, in reply made a steady start to this daunting run chase.

Captain Snell (32) and John Buckman (16) put on 44 in the first 10 overs But Martyn James (2-39) snaffled both openers in quick succession.

First to go was Snell, caught by Griffiths, and then Jamie Miller for a duck.

Wickets continued to fall with Stokes (2-21) as the hosts really turned the screw, leaving Ventnor reeling on 88-4.

Some resistance came from Martin Blackman (33 from 50 balls) and Ben Belcher was eventually dismissed Attrill (20) but Phillips (3-14) finished with the score on 193 by the same them and the tail off in the 45th over,
